

VOLUNTEERING

the basics:

New volunteers often offer to clean cages and assist in socializing our birds. As a foster based rescue, this is not possible, as we do not have a brick & mortar location to volunteer at and all birds are housed in the homes of our volunteer fosters. If you are interested in fostering, please consider filling out a foster application.

So, what does volunteering actually entail?

Potential options include:

- **Home Visit Team** – assist in conducting home visits for potential adopters and fosters
- **Ambassador Parrot** – have a friendly, harness trained bird? Consider assisting with outreach or educational events. Ambassador parrots do not need to be former STAR birds.
- **Love speaking to the general public and/or kids?** – join our event team and attend events throughout the year; speak to the general public about STAR, the need for parrot rescue & parrots in general, sell STAR merchandise, collect donations, assist with educational events ...etc.
- **Have a truck?** – we are always in need of more volunteers who are able to assist with intakes and transporting cages/birds

Have a skill or interest not listed above that may be helpful? Reach out!
